Dear Sheriff Richard D. Roth:

I am writing on behalf of the Coral Shores High School Mock Trial team. Our academic team has registered to participate in the annual state mock trial competition to be hosted in Orlando this spring. In the past we have traveled to the state competitions with generous support from your department. In previous years our students received the distinction of best overall attorney and best witness. This is an extremely valuable law-related activity involving students from different grade levels. Our team is responsible for expenses related to hotels and transportation. Any assistance which your department could give this year would be sincerely appreciated. If you have any questions about the competition I can be reached at 853-3222 ext. 56353. I hope to hear from you in the near future.

Sincerely,

Mary Jo Fry

TAKE STOCK IN CHILDREN®

Dear *Sheriff Roth,*

During November, we were thrilled to sign new Take Stock In Children contracts with 74 handpicked Monroe County middle and high school students! With your support, since we began eight years ago, we have provided "Scholarships, Mentors, and Hope" to 448 students.

Our mission is to break the cycle of poverty through education----one child at a time---- and we're doing it! Our unique mentoring and scholarship program starts at 7th grade and continues through graduation from college. All qualifying Monroe County middle and high school students from low-income families having the desire, motivation, and ability to go to college are automatically qualified and are admitted to our program.

Take Stock In Children is the only student-mentoring program that combines successful mentoring with a fully paid scholarship that pays all required student fees and tuition for four years. Your contribution of \$3,000 this year will enable one more Monroe County student to attend college. Through the years, our local leadership donors—Edward Knight, John Padget, Sheriff Rick Roth, the Rodel Foundation, the Keys Children's Foundation, and two new anonymous donors in 2007—participate in varying degrees to match your individual contributions. All local monies raised continue to be matched by the state legislature. OUR PHILOSOPHY OF "DOUBLE-MATCHING" MEANS WE REALIZE \$4 FOR EVERY \$1 THAT YOU CONTRIBUTE. AND, AS ALWAYS, 100% OF YOUR CONTRIBUTION GOES TO OUR CHILDREN AND NONE TO ADMINISTRATIVE OR OTHER COSTS.

Many of our contributors have a tradition of financing one or more students every year, currently at the rate of \$3,000 per student. But, we remind you that all contributions are double-matched, so all donations are welcome. We solicit your support only once a year. We don't do fund-raisers, events, or dinners. We send you this one letter inviting your participation. The campaign begins today and ends at our annual Donors' Forum.

We thank you for all you've done to help the children in our community
Sincerely,
Lynn Kaufelt
