RE: Agenda Item – Request for Expenditures from Law Enforcement
Trust Fund

Dear Mr. Willi:

I would like to request that the Commission authorize the following
expenditures from the Law Enforcement Trust Fund:

\$ 500.00 Florida Missing Children's Day – These funds will be used to support the annual ceremony that honors law enforcement officers and civilians who have assisted in missing child cases and raises statewide awareness to prevent child abduction and sexual exploitation.

\$2500.00 Gerald Adams Elementary School – Sponsorship of Odyssey of the Mind. Students learn creative problem-solving methods. This teaches students that they should not simply try to solve problems but take the next step of enhancing their solutions. Team won the District competition and is moving on to the State competition.

\$ 500.00 Upper Keys Athletic Association – Help the Little League program raise money for equipment, umpires and trophies.

TOTAL: \$ 3,500.00

I hereby certify that these expenditures are lawful pursuant to the Florida Contraband Act. There will be no recurring expenses in the existing budget.

Please feel free to contact my General Counsel, Mark L. Willis, or me should you have any questions or concerns regarding this request.

Very truly yours,

Richard D. Roth
Sheriff of Monroe County

Dear Sheriff,

Sheriff Susan Benton of Highlands County and I currently represent the Florida Sheriffs Association on the Missing Children Information Clearinghouse Advisory Board. As representatives of FSA, we are donating \$500 each from proceeds seized under the Florida Contraband Forfeiture Fund to support the annual Florida Missing Children's ceremony, to be held at the State Capitol in Tallahassee on September 11, 2007. Florida Missing Children's Day was created by the Florida Legislature in 1999 and the ceremony on this day honors law enforcement officers and civilians statewide who have assisted in missing child cases, and raises statewide awareness to help prevent child abduction and sexual exploitation.

We would like to invite you to join us in this initiative by making a contribution from your trust fund, showing your agency's support for this important statewide, law enforcement-sponsored event?

Governor Charlie Crist, 100 school age children, and many law enforcement officers, families of missing children and those families whose children did not survive their abduction, will attend the ceremony on September 11th. Civilians who, under special circumstances, have aided in missing child cases throughout the state will join them. The following awards will be presented:

- * Local Law Enforcement Officer of the Year
- * State/Federal Law Enforcement Officer of the Year
- * Law Enforcement Task Force/Team of the Year
- * Law Enforcement Trailing Team of the Year
- * School Buss Operator of the Year
- * Citizen of the Year
- * Evelyn Williams Memorial Award
- * John and Reve' Walsh Award
- * Fifth Grade Essay Contest Award

Sheriff Benton and I believe that one of the most beneficial uses of our law enforcement trust fund monies is support of Florida Missing Children's Day. We hope you will participate in this event by returning your contribution and the accompanying form and by attending Florida Missing Children's Day 2007.

To fully appreciate the significance of this event, please take a minute to view a portion of last years program at:
<http://www.fdle.state.fl.us/video/video.html>. We have also attached a list of last year's sponsors and ask for your continued support.

We hope to see you in Tallahassee on September 11, 2007.

Sincerely,

Sheriff Donald F. Eslinger

Dear Sheriff Roth:

I am requesting your sponsorship of one or more of our Odyssey of the Mind team so that they may participate in the state tournament. This was the first year Gerald Adams had a team. We just participated at the District competition and won. Our team is moving on to the State Tournament on April 14th. We need the funds to get our team to Orlando for the 3 day event. If we should win at the state competition we would then be eligible for the World Tournament in May at Michigan State University.

In order to take the 7 member team, 2 coaches and 2 chaperones to Orlando we would need \$437 per person. Your sponsorship of one or more members would be terrific. We would need to know how you can help by April 2, so that we can make all of the arrangements.

Odyssey of the Mind teaches students to learn creative problem-solving methods while having fun in the process. For more than twenty five years, this program has helped teachers generate excitement in their students. Students work collaboratively to solve a problem. The long-term problems are solved over weeks and months. Some of the problems are more technical in nature while others are artistic or performance based. Each long-term problem rewards "Style" in the solution. This helps teach students that they should not simply try to solve problems but take the next step of enhancing their solutions.

A team consists of seven members. Ours are in third and fourth grade. They chose to solve problem #5: I'm Only Thinking of You! They have designed and made the costumes and back drops, wrote and acted out the skit. The skit had to solve the requirements that the problem presented to the students.

We are so proud of this team and really want to see them go on.

I am thanking you in advance for your time and consideration in this matter. If you have any questions please do not hesitate to contact me.

Sincerely,

Fran Herrin

Would you have any room in your budget for an ad to support the Upper Keys Athletic Association Little League Program?

They are in desperate need of funds to buy equipment and trophies for the children. I have attached a word document, which is the sponsorship form, for your consideration. I will be collecting the sponsorship forms and payments, as I have been designated by the Diamondbacks team to be their ad coordinator.

Thank you for your consideration.
