RE: Agenda Submission / Information Memo

---

The attached BOCC agenda item is to purchase one (1) new Roll-off Hoist System Truck with 30 Yard Container to replace one (1) existing unit, which is outdated and beyond economical repair.

After reviewing all bids and direct communication with the two lowest bidders, we were able to determine the low bid from "Heintzelman's Truck Center" did not meet minimum specification in area of engine horsepower.

After verification that the second lowest bidder meets or exceeds all requirements, the Fleet Management Department's recommendation is for the County to provide a purchase order to purchase one (1) new Roll-off Hoist System Truck with 30 Yard Container from Atlantic Truck Center in the total amount of \$115,841.00.

Thank you.
