AGENDA ITEM WORDING: Approval to advertise for Request for Proposals to provide security camera and monitoring services on the residential islands of Duck Key as requested by the Duck Key Security District Advisory Board.

ITEM BACKGROUND: The Duck Key Security District Advisory Board is recommending the installation of a security camera at the entrance to the residential islands. The video record of vehicular information will assist law enforcement should any unlawful criminal activity occur. The District surveyed the residents in January of 2007 regarding the proposal; results were 70% in favor. The Monroe County Sheriff's Office is very supportive of the video security proposal and has been involved in the process. Initial camera purchase, installation, and on-going monitoring service contract costs will be paid for by revenue generated through the Duck Key Security Taxing District.
