YEARS OF SERVICE AWARD
PRISCILLA LONDON
20 YEARS OF SERVICE

Priscilla has been an employee with Monroe County since February 22, 1988. She began her employment with the County as a Temporary Code Enforcement Aide and throughout her service with the County has served in the capacity of Assistant in the Building, Emergency Management and Fire Marshal's Departments. She has been the Safety Administrator since 1994 and her duties include training and educating management in the areas of safety, inspecting county facilities and public property for loss control, fire and life safety; investigating accidents and being proactive in the prevention of future incidents. Throughout Priscilla's career she has dedicated many hours to teach at various schools and civic organizations throughout the County regarding emergency preparedness, evacuation, chemical exposure, hazardous materials and fire and safety requirements. She has consistently pursued certifications during her employment in the areas of Emergency Management, Fire and Safety and has acquired awards for her Playground Inspection and Refuge of Last Resort Programs - - just to name a few.

Priscilla has served as the Certified Public Manager's local Chapter President since June 2005 and, with the help of her fellow Chapter Members, coordinated and facilitated the recent 'Government Going Green Symposium' that was held this past March.

Priscilla brings a high level of personal energy and dedication to the County. She takes pride in her commitment to the Safety Program and in having a safe working environment and community. We are proud to recognize Priscilla for her 20 years of service to Monroe County.
