Presented by the current President of the Florida Keys Chapter CPM, Ms. Priscilla London

It is my pleasure to present to Jerry O'Cathey, for his services as the Florida Society of Certified Public Managers as its first two-term President, the first ever dual President's Exceptional Leadership Awards. Under Jerry's dedication, the Florida Society membership grew to over 400 with the program's national membership growing in excess of 3,000 members.

Jerry remains active as a member of the local Florida Keys CPM Chapter and continues his involvement at a national level as a committee member.

On behalf of the Monroe County Certified Public Managers Program and it's members, we congratulate Jerry and thank him for his continued service to the citizens of our county.
