RE: Agenda Submission / Information Memo

The attached BOCC agenda item is to award Public Works items to the highest bidder or to the next highest and acceptable bidder should higher bidders fail to complete transactions after reasonable notification and time limits.

After requesting and receiving BOCC approval to go out for bids, they were opened 12/11/07. (See attached Recap of Bid Opening)

After reviewing all bids, it was determined two (2) of the two (2) bids received were acceptable.

The Corrections Department's recommendation is to award two (2) of the two (2) Public Works surplus items to the highest bidder or to the next highest and acceptable bidder should higher bidders fail to complete transactions after reasonable notification and time limits.

Thank you.
