Re: Request for BOCC approval of Law Enforcement Trust Fund expenditure

Dear Mr. Willi:

I ask you to submit this request for approval of law Enforcement Trust Fund expenditure to the Board of County Commissions at its next meeting scheduled August 15th and 16th in Key Largo.

I am requesting \$3035 to fund travel and lodging for four instructors to travel from Tampa and Orlando to Key West to provide SANE/SART (Sex Assault Nurse Examiner/Sex Assault Response Team) training for local nurses. This is a joint project, led in part by Lieutenant Donnie Lee of the Key West Police Department and Inspector Janine Gedmin of this agency.

Currently, there is only one trained nurse examiner in the county who can perform examinations necessary in sexual assault cases. The SANE/SART training is expected to quadruple the number of nurses specially trained to provide this service.

I certify that this request complies with the provisions of §932.7055, Fla. Stat.

Sincerely,

Richard D. Roth

RE: Request for State Forfeiture Money – SANE Training

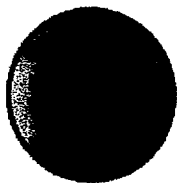

Sheriff Roth,

As the Co-Chair of the Poinciana Advocacy Center, I have been working with many local partners in coordinating a SANE/SART (Sex Assault Nurse Examiner/Sex Assault Response Team) training for Monroe County professionals.

The purpose of the training is to improve law enforcement's response to victims of sexual violence. As a result of undergoing this training we hope to at least quadruple the number of nurse examiners available to conduct forensic exams of these victims in Monroe County. The training is scheduled for August 20 -24, 2007 and will be held at the Florida Keys Community College, Public Safety Building.

As a means to increase the attendance at this training we are not charging any tuition for local professionals to attend. We have attempted to reduce our costs. To that end we have commitments from many local professionals to participate as instructors at no cost. However, as you can imagine we will still have expenses.

I am requesting money from the state forfeiture fund for expenses associated with this training. We anticipate needing 15 hotel nights at \$109.00 each for a total of \$1635.00 for out of town presenters. We anticipate travel costs for three presenters from Orlando for an approximate total of \$800.00 and travel for one presenter from Tampa for an approximate cost of \$500.00. Additionally, we expect to incur \$100.00 as costs for training materials.

Below is the total requested budget:

| | |
|-----------|--------------------|
| \$1635.00 | Hotel room nights |
| \$1300.00 | Flights |
| \$100.00 | Training Materials |
| | |
| \$3035.00 | TOTAL |

I know that you and your agency have been great supporters of the Poinciana Advocacy Center in the past. This upcoming training puts us one step closer to truly accommodating the needs of victims in our community. Thank you for your consideration of this request. Please contact me if you have any questions or need further information.

Sincerely,

Captain Donie Lee
