

August Grant Activity Report

Letters of Inquiry/Introductory Information* submitted to:

Name	For Amount/Award
Curtis and Edith Munson Foundation	Vandenberg Project - \$25k (additionally, support of proposals to two other foundations)
Marisla Foundation	Vandenberg Project – initial request \$150k – immediate response was not very positive. They have focused their funding lately on the west coast, and as such, suggested we submit an application for only \$20k instead.
Avrum Katz Foundation	Open request - Animal Shelter, in collaboration w/FKSPCA

**Note: Many private foundations do not require a full application process*
