EMPLOYEE OF THE MONTH
August 2007
APRIL PEARSON

Although April Pearson has been with the county a little over a year, she has made an outstanding impact in that short time. She constantly strives to provide outstanding public service, going above and beyond her demanding job to help anyone in need, whether it is the public, another employee, or another department. She is a self-starter and has taken on complex projects with a high level of competency.

April is to be commended for her great attitude, attention to detail, cooperation, professionalism and extensive job knowledge.

April is a real asset to the Engineering Department and the County, and we are proud to recognize her today as Employee of the Month for August, 2007. Congratulations!
