**YEARS OF SERVICE AWARD  
to  
Dent Pierce**

Dent Pierce, Public Works Division Director, has been employed by Monroe County since October 4, 1982. Dent first began his employment with the County as an Engineering Aide, and within two years he was promoted to an Area Supervisor for Roads & Bridges. Shortly thereafter he was promoted to Director of Public Works and then to Division Director where he has been ever since.

During his tenure with the County, Mr. Pierce has proven to be a very valuable member of the management staff. He has continued to guide Public Works through major changes and expansion while at the same time reducing his budgets and work force.

Dent is extremely knowledgeable about all aspects of Public Works; his personnel file is filled with many letters of appreciation, awards and training certificates. Dent is very safety conscious and in 1996, the Division of Public Works received the Yearly Division Safety Award.

Dent is a very dedicated County employee; he is an asset to Monroe County and Public Works, and we are extremely proud to recognize him for his 25+ years of reliable and devoted service.
