**YEARS OF SERVICE AWARD
to
JOHN KING**

John King, Sr. Director of Lower Keys Operations for the Public Works Division, has been employed by Monroe County since May of 1992.

Throughout his past fifteen years with the County, John has held many titles and worn many hats! While he has always played an integral role in directing and managing the Facilities Maintenance Department, he is the main Public Works representative at the EOC during hurricanes and events, he works closely with various Board and Committees, such as the Parks & Recreation Board, the TDC, the DAC Board, etc., and in 2003 he became a Certified Public Manager. John is also our resident ADA compliance expert and he works closely with and regularly attends meetings of the Florida Keys Council for People with Disabilities, who recently presented him with an award for his seven plus years of outstanding service to them.

John is a very reliable, hard working employee who handles a myriad of responsibilities. He is a very dependable and valuable employee, and his knowledge, skills and abilities play an integral part in the successful outcome of the duties and projects he handles and coordinates. This is further evidenced by the fact that his personnel file is overflowing with training certificates, awards, commendations and thank you letters.

During his off duty hours, John is lead singer, guitar player and songwriter with "The Bubba System" band. He has been involved with various local bands since he was a teenager. "The Bubba System" plays regularly at many Key West establishments, as well as charity events and other local functions.

Mr. King is an asset to Public Works and Monroe County, and we are extremely proud to recognize him for his 15+ years of reliable and devoted service to the County.
