**YEARS OF SERVICE AWARD  
TO  
DAVID PEREZ**

David Perez, Foreman, Parks & Beaches, Public Works Division, began his employment with the County in January of 1992.

He was first hired as an Airport Maintenance Technician, and in 1995 he transferred to Public Works to work on Big Pine Key as a Maintenance Mechanic Lead Worker. In 1997, he was promoted to his final position of Foreman.

For over ten years, Mr. Perez maintained and repaired all of the County's facilities and parks and beaches in the Big Pine Key area. He provided a safe and clean environment for all; he rarely missed a day's work, and his hard work, outstanding work ethic and dedication will long be remembered.

While we are proud to recognize Mr. Perez today for attaining his 15 years of service, he actually retired in June of this year.

The County has lost one of its hardest workers, but we wish him the best for a happy and healthy retirement.
