ROSEMARIE NATTA AND WANDA LEE

October 17, 2007

The Florida Keys Council for People with Disabilities is pleased to present its award for outstanding service to disabled persons in Monroe County to **Rosemarie Natta**, Personal Care Provider, and **Wanda Lee**, Homemaker, Monroe County In-Home Services.

This award recognizes their decades long care for our severely disabled and elderly residents in programs funded by the U.S Administration on Aging, an Agency in the U.S. Department of Health and Human Services.

Both Rosemarie and Wanda are intimately involved in the lives, homes and families of their clients. Their radiant joy, healing compassion, and gentleness bring hope to those reduced to dependence on others for daily activities. These women regularly go far out of their way to dramatically improve the quality of life for hundreds of our citizens and their families.

On behalf of the 17,000 disabled citizens of the Florida Keys, these plaques are presented to Rosemarie Natta and Wanda Lee with sincere gratitude for their, compassion, loving kindness and dedicated service.
