

September Grant Activity Report

Letters of Inquiry/Introductory Information* submitted to:

Name	For Amount/Award
Munson Foundation	Vandenberg, in collaboration w/ARK (follow up) - \$25,000
Marisla Foundation	Vandenberg, in collaboration w/ARK (follow up) - \$20,000

**Note: Many private foundations do not require a full application process*

Full grant applications submitted to:

Name	For Amount/Award

Grants/Foundation currently being researched or applications developed (amounts approximate until research and/or applications are complete):

Name	For Amount/Award
Packard Foundation	\$3-5M -Vandenberg, in collaboration w/ARK
Claiborne/Ortenberg Foundation	\$50k -Vandenberg, in collaboration w/ARK
Elizabeth Ordway Dunn Foundation	\$10-35k -Vandenberg, in collaboration w/ARK
NOTE: The above Vandenberg applications require strong 3rd party scientific and/or conservation emphasis. ARK is gathering appropriate letters of support from the scientific community and other influential sources to demonstrate this emphasis. Without these letters of support, our applications will be much weaker.
