RE: 20 Years of Service Award for Joseph Paskalik

Joe Paskalik started to work for the County on September 25, 1987 as a Building Inspector in the Building Department which at that time was located in Stock Island. Through the years, he worked himself up to Sr. Building Inspector/Plans Examiner. In 1999 he was promoted to Sr. Administrator, Assistant Building Official and a short year and one half later to Sr. Director Building Official, the position he holds today.

His desire to better serve the County was the force that helped him take courses and successfully pass a multitude of tests to obtain all the necessary certifications needed to hold the position of Building Official. In his current position he needs to stay current on all the changes to the Building Code and assure that Monroe County abides by that code. Currently he supervises a staff of 36 employees located in three offices throughout the Keys. Mr. Paskalik was also a member of the first graduating class of Certified Public Managers (CPM) sponsored by the County.

As you can see Mr. Paskalik has served the County very well through the last twenty years. We appreciate his accomplishments and the dedication that he exhibits year in and year out.

Joe we want to congratulate you on this special occasion!
