

PUBLIC BOAT RAMPS IN THE FLORIDA KEYS

County Boat Ramps

County boat ramps are generally maintained by Engineering and Public Works. Most of the ramps are in good condition. Several are not maintained as they were not originally permitted and enter into shallow water areas.

<u>Mile Marker</u>	<u>Island/Position</u>	<u>Facility</u>	<u>Description/Condition</u>
Card Sd. Rd.	Key Largo 25°17'26" 80°22'36"	Card Sound Boat Ramp	Unimproved; poor condition; single lane; about to be engineered and improved.

PUBLIC BOAT RAMPS IN THE FLORIDA KEYS

State Boat Ramps

All the state boat ramps are maintained by D.O.T. Each of the ramps is adjacent to US1. The facilities are minimal: there are trash barrels that are emptied weekly. There are repairs to sea walls, ramps, etc. as needed. No rest rooms or other facilities.

<u>Mile Marker</u>	<u>Island/Position</u>	<u>Facility</u>	<u>Description/Condition</u>
MM 112.5	18 Mile Stretch	Long Sound gravel ramp	Access to Long Sound in Everglades N.P., the ramp itself is not surfaced but there is an asphalt drive/circle. The ramp is about 100' from the road edge and there is dirt parking for 4-6 trucks and trailers. This ramp is just feet from the County line sign. There are DOT trash cans.
MM 111	18 Mile Stretch 25°12'53" 80°25'36"	Little Blackwater Sound Boat Ramp	Access to the Everglades, there is an acceleration/ deceleration which is the only area for parking. The ramp is an improved, concrete surface with Concrete wing walls. DOT trash cans on site. Access to Little Blackwater Sound. The ramp is very close to the road which makes it dangerous for trucks and trailers to maneuver. PWC's prohibited. DOT trash cans.
MM	Key Largo	Pennekamp State Park	Access to oceanside, two paved/concrete ramps, good condition, heavily used, small and large boats, good parking
MM 79	Indian Key Fill 24°53'21" 80°40'40"	Indian Key Fill Public Boat Ramp	Access to bayside, dirt ramp, fair condition, small boats only, limited parking, heavy use, Sanctuary information signs, historic site information
MM 53.9	Marathon 24°44'00" 81°01'05"	MM54 Public Boat Ramp	Access to bayside, paved/concrete ramp, good condition, small boats only, limited parking, concrete ramp, poor condition, heavy use, Sanctuary information board, about to be engineered and rebuilt
MM 40	Little Duck Key 24°40'57" 81°13'46"	Little Duck Key Public Park & Ramp	Access to ocean and Gulf, paved/concrete ramp, fair condition, dock-in bad condition, parking for eleven trailers, small boats only, moderate use, Sanctuary information signs
